Biography

Dean Cascione is an American Metal guitarist and an innovative force in today's instrumental rock scene. Committed to shattering shred stereotypes, he delivers melodic music, charged with passion and contrast.

Praised as a "showcase of Neoclassical fretboard pyrotechnics," "dangerous with a guitar," "Channels the spirit of Rhoads and the best of Malmsteen" and "a bright star on the international guitar scene," Dean has released multiple acclaimed albums and collaborated with legends in the metal world.

His debut Album "Guitar Chop Shop" topped charts in 2008, and he's continued to push boundaries with releases like "Neoclassical Fire" (2011) and "Shred Crusade" (2015). In 2010, Dean joined MANOWAR for a worldwide tribute to Ronnie James Dio ' Magic – A tribute to Ronnie James Dio', and in the shredding soul of Cacaphony & RacerX , recently collaborated with "Guitar Maxx" Maxwell Carlisle to record and release several singles "Between two Anvils" -(2023), "Odyssey of Darkness" (2024) , and "Doppelgangers" (2026), and has performed at festivals, clinics, and shows across the country.

Notable Performances & Accomplishments

Dean Cascione is an internationally recognized guitarist, clinician, and performer with a career spanning more than 2 decades of high-energy live appearances. He has showcased his talent across the country at major trade shows, music festivals, film festivals, guitar clinics, and instructional bootcamps, connecting with audiences of all backgrounds and skill levels.

Chart-Topping Debut: Dean's debut album Guitar Chop Shop (2008) earned Guitar9 Records' #1 chart ranking in May of that year and closed out the year as a top-selling release in the NeoClassical Metal genre, marking an early and influential milestone in his recording career.

As a featured artist on Magic: A Tribute to Ronnie James Dio — a tribute album curated by Magic Circle Music and MANOWAR that honors one of metal's most influential vocalists — Dean's original instrumental "Never More" sits alongside legendary acts interpreting Dio's iconic work. This release celebrates the legacy of Ronnie James Dio and features contributions from artists across the global metal community.

Dean has been a NAMM performer for over 10 years (2014–2026), appearing on prominent stages at The NAMM Show, engaging with musicians, industry leaders, and gear enthusiasts. His presence at NAMM underscores his role not just as a player, but as a respected voice in the guitar community.

Other notable performances include:

Splunk Conf 2025 — bringing his original music to tech and enterprise audiences in a high-profile keynote environment.

Guitar Summit 2020, appearing alongside genre shred guitar icons Joe Stump and Jimi Bell.

SENE Music and Film Festival 2016 & 2018, offering dynamic performances in a celebrated arts-and-culture setting.

In addition to live shows, Dean is available for prototype testing & product demos, private clinics, performance engagements, and online or in-studio guitar lessons, sharing his expertise with students from beginner to advanced levels.

A global collaborator, Dean leverages technology to break down barriers through music — blending performance, education, and creative expression to inspire guitarists and fans around the world.

The Neoclassic Approach to Shred Guitar 2018 Co-Authored with Sebastian Salinas, to help emerging guitarist unlock the secrets of shred guitar, increase their guitar phrasing technique & vocabulary, plus improve their overall knowledge of the instrument.
